	The natural choice is the Harmony <sup>™</sup> Professional yoga mat from JadeYoga. Harmony brings together natural rubber from the Far East, one of earth's most amazing natural resources and Western technology to form a mat that is perfect for your yoga practice.									
	<ul> <li><u>Harmony Holds</u></li> <li>As Harmony is made of open cell rubber, you can say goodbye to slipping on our practice mat, even if it gets wet from perspiration. Rubber has long been used where safety demands non-slip performance. Harmony takes advantage of the non-slip properties of rubber, resulting in the best slip-resistance on the market. Try it, we are sure you will agree.</li> <li><u>Harmony performs</u></li> <li>In addition to providing better slip-resistance Harmony has exceptional resilience, unmatched "compression set" resistance and incomparable cushioning.</li> <li>Jade mats are better for you and the environment than any other mat on the market.</li> </ul>									
	Harmony is green Harmony is constructed of natural r depleting substances. JadeYoga rubber is sourced from pla Rubber is a renewable resource and Through our partnership with Trees It is perfect for the yogi concerned	antations in Ma l is sustainably for the Future,	laysia and Vietna tapped from rub JadeYoga plants	am. bber trees.		ou buy.
